blood After the ashes started to settle the evil queen emerges out of the unknown to destroy the queen of love and great purity This sends the king on a giant exploration adventure covering the planet On this trip he finds a new love and gives Mempire a new queen Evil refuses to give up on Lamenta as the future queen of evil Lilith almost makes all life on Lamenta extinct Space dog gives King James the ability to fight this evil and with time life begins to reproduce again Yet during his travels Lilith captures his seed to create his child to have as a tool to cripple Mempire The spirits of the heavens intervene as they allow Mempire s dead queen to reach her hand out and save this child hiding her spirit in a new child Mempire continues to provide its citizens an environment to build their new families Yet dangers continue as their queen from the grave warns as Mempire continues to battle evil King James and his royal whites lay a solid foundation for an empire that would grow into one of the greatest in the Milky Way as many of the stars in your sky belong to this great power of good

Born Still Janet Fraser,2020-08-04 How did we move so far from love that a mother s grief became the vehicle with which to punish her Losing a baby during childbirth is one of the most heartbreaking things imaginable To then be accused of causing that death is nothing short of soul destroying Janet Fraser s story shows what happens when private grief is turned into a public accusation against a woman who dared to exercise choice about how and where she gave birth This sobering book demonstrates the penalties dished out to women who dare to question medical orthodoxy and to make decisions for themselves about their own bodies When things go wrong in a hospital it is seen as unavoidable and no one is to blame as the medical institutions are seen as the arbiters of decision making The layers of bureaucracy protect insiders Yet if a baby dies in a home birth the full weight of the law comes down upon the woman who dared to give birth outside a hospital Janet Fraser is that woman and this is her story of injustice loss and grief This painful yet enlightening book shows that the patriarchy still wrestles for the control of women and their bodies Born for Significance Bill Johnson,2020 Master the
