Brechter, 2010-11 *When I First Held You* Brian Gresko, 2014-05-06 From some of today s most critically acclaimed writers including Dennis Lehane Justin Cronin Andre Dubus III and Benjamin Percy comes a rich collection of essays on what it means to be a dad Becoming a father can be one of the most profoundly terrifying exhilarating life changing occasions in a man s life Now 22 of today s masterful writers get straight to the heart of modern fatherhood in this incomparable collection of thought provoking essays From making that ultimate decision to have a kid to making it through the birth to tangling with a toddler mid tantrum and eventually letting a teen loose in the world these fathers explore every facet of fatherhood and show how being a father changed the way they saw the world and themselves One of the first things I learned about fatherhood was that my father was right it was hard and it kicked the shit out of your life plan Lev Grossman I wanted to hold him I wanted to hold him close and never let go But we have to let go don t we Andre Dubus III Bridges are engineered Children are worked toward clumsily imperfectly with a deep and almost religious faith in trial and error Ben Greenman If you counted up the nights I ve spent dancing to Strangers in the Night those hours would stretch three times around the equator Garth Stein The most surprising aspect of parenting has been how much my pre parenting life looks like a cloud in the rearview Dennis Lehane Contributors include Andr Aciman Chris Bachelder David Bezmozgis Justin Cronin Peter Ho Davies Anthony Doerr Andre Dubus III Steve Edwards Karl Taro Greenfeld Ben Greenman Lev Grossman Dennis Lehane Bruce Machart Rick Moody Stephen O Connor Benjamin Percy Bob Smith Frederick Reiken Marco Roth Matthew Specktor Garth Stein and Alexi Zentner *Where the Wild Dads Went* Katie Blackburn, 2017-05-02 The night Dad had a few cheeky ones after work forgot the milk and tripped over the rubbish Mum called him A Wild Thing and left him to it for the rest of the evening In this hilarious touching homage to Maurice Sendak s Where the Wild Things Are a tired and emotional dad

finds himself drifting off to the place where the Wild Dads went Now party like real men he said And there was never a manliness like it In a riot of headbanging air guitar and table football he finds himself at the centre of a great escape but pretty soon he begins to miss the place he left behind Lovingly illustrated by the award winning Sholto Walker this little book is the perfect gift for new dads or any parent who s ever wanted to run away from it all *The Sacred And The Profane* Jake Kinzey,2012-02-16 The Sacred and the Profane is a work that combines local and global analysis to examine our age s often talked about but mostly misunderstood mainstream subculture the hipster This book seeks to answer questions like Why don t hipsters want to be called hipsters and Why do they act like they are different when they are just like all the other hipsters If you can t stand hipsters are a hipster or don t know what a hipster is this book is for you *What Was the Hipster?* n+1,2010-10-26 Who was the turn of the century hipster Who is free enough of the hipster taint to write this history without contempt or nostalgia Why are we tempted to declare the neo hipster moment over when the hipster s global brand has just reached its apotheosis A panel of n 1 writers including Mark Greif Christian Lorentzen and Jace Clayton aka dj rupture invited the public to join an investigation into the rise and fall of the contemporary hipster Their debate took place at the New School University in New York City and was followed by articles responses and essays all printed here for the first time The hipster is that person overlapping with declassing or disaffiliating groupings the starving artist the starving graduate student the neo bohemian the vegan or bicyclist or skatepunk the would be blue collar or post racial individual who in fact aligns himself both with rebel subculture and with the dominant class and opens up a poisonous conduit between the two Isn t hipsterism like the best thing that s happened at the end of the Bush years The truth was that there was no culture worth speaking of and the people called hipsters just happened to be young and more often than not funny looking **Tales from the Dad Side LP** Steve Doocy,2008-10-28 Dear Prospective Book Buyer Publishing types tell me that if you re reading this it means you re looking for a reason to buy this book Personally I think the eye catching cover shot of me in my pajamas is reason enough By the way those are my real kids on the cover and yes those are my actual ankles No I m not retaining water What you re holding in your hands is a very funny and sometimes remarkably poignant look at fathers not from the mother s point of view or the child s but from the dad s side Which is why it s called Tales from the Dad Side It s filled with stories of what it s like to be a dad and a son from a child s first day of kindergarten to the awkward sex talk and right up to the day the always practical dad tries to pay for college with bonus miles I was there for every landmark in my children s lives except the day I was on the riding lawn mower and missed my son s first words which my wife insists were trust fund As children get older the lessons of the father get harder like teaching my son how to shave just as my father taught me with a rusty double edged safety razor At the end of my dad s lesson I emerged from the bathroom nicked and gouged looking like an extra from a Quentin Tarantino film My more civilized son is a Norelco man With my high school age daughters I promised them a day on which I d take them anywhere and do anything with them they wanted expecting them to ask for dinner and a movie I was

horrified when they told me they wanted all of us to get manicures and pedicures together That was not the answer I was expecting it was like discovering Lou Dobbs was an illegal alien Over the course of raising three children I have learned with my wife that fathers are different from mothers That could be the greatest understatement since Noah turned on the Weather Channel and found out that the next forty days called for a 20 percent chance of light rain The truth is fatherhood is like Wikipedia some parts based in fact others just made up along the way And while bookstores are filled with tales of mothers their children and families there are few from the dad s side Now as a public service I m doing my part to right this wrong I sincerely hope this answers your questions If perhaps it s not exactly your cup of tea I bet you ve got a father or mother in your life who d like the stone cold truth about dads Besides for the same money you can either put three gallons of gas in your car or take home this book which has a highway rating of 29 smiles an hour Steve Doocy Decolonize Hipsters Grégory Pierrot,2022-04-26 Few urban critters are more reviled than the hipster They are notoriously difficult to define and yet we know one when we see one No wonder they were among the global cultural phenomena that ushered in the 21st century They have become a bulwark of mainstream culture cultural commodity status butt of all jokes and ready made meme But frightening as it is to imagine for more than a century hipsters have been lurking among us Defined by their appearances and the cloud of meaning attached to them the cool vanguard of gentrification the personification of capitalism with a conscience hipsters are all looks and these looks are a visual timeline to America s past and present Underlining this timeline is the pattern of American popular culture s love hate theft relationship with Black culture Yet the pattern of recycling has reached a chilling point the 21st century hipster made all possible past fads into new trends including and especially the old uncool In Decolonize Hipsters Gr gory Pierrot gives us a field guide to the phenomenon a symptom and vanguard of the wave of aggressive white supremacist sentiment now oozing from around the globe **Lots of Dads** Shelley Rotner,Sheila M Kelly, Ed.D,2000 Dads come in all colors shapes and sizes but they re all alike too They are helpful and fun to play with they try to fix things that are broken and they love their children Filled with bright joyful photos of dads and their children this book is a true celebration of the special relationship between children and their fathers *This I Believe* Dan Gediman,John Gregory,Mary Jo Gediman,2011-03-03 Compelling stories of fatherhood from the popular NPR radio show From the popular radio series *This I Believe* comes this touching and thought provoking compilation of original essays on one of the most fundamental of human relationships fatherhood It is a relationship filled with joy and heartbreak love and anger lessons learned and opportunities missed The stories in this collection are engaging and meaningful Some are reverential and loving some are sad and clouded by yearning loss and regret You ll read reflections from expectant and new dads full of optimism as well as from longtime parents who through the distance of time are able to reflect on their successes and failures as fathers We also hear from children some young and some well into adulthood writing about their fathers They honestly and openly introduce us to the men who shaped them sometimes in surprising ways They talk about the fathers they

Hot Victorians Aaron Radford-Wattley, 2025-09-11 A delicious sepia wet dream of a book that had me drooling swiping right and wanting to buy a time machine Alan Carr What a treat Dawn French This book is brilliant fun capturing the debonair dandyism and sophisticated enigma of some very ruttably gentlemanly of the time Dita Von Teese Burlesque Queen Feast your eyes upon the most gentlemanly brows, chiselled jawlines and tightest abs of the Victorian era Authored by the hugely popular Hot Victorians Instagram account this book is a brazen celebration of the finest men from the Victorian and Edwardian eras From a show-off strongman, a hot felon and a daguerreotype dandy to a Swedish sailor and Harvard's first Black graduate there is a chap for everyone Divided into chapters such as Hot Dads, Original Hipsters, Jocks and Sexy Nerds each entry includes a swoon-worthy picture and a dating profile about the man Among them meet our cover star Arthur Shidler, dishy doctor and family man from Illinois or how about the physician responsible for the identification of the bubonic plague parasite is it really justified that such an ugly bacteria is named after a man so beautiful Each entry also includes a hilarious response to one of the prompts you might find on the dating apps bringing these gents right into the 21st century Although they may be dead for these 70 perfect gents chivalry is far from it

Dad Up! Steve Patterson, 2021 With humour and heart comedian and host Steve Patterson explores the trials and tribulations of being a parent today while also reflecting on his own childhood and how his parents prepared him for being a father It all started the day Scarlett Sharon Patterson came into the world and Steve Patterson became a father at the age of forty-three yes he knows he's a procrastinator It hadn't all seemed real until the moment he heard his daughter's first cries There they all were Scarlett screaming at the indecency of being plucked from the primordial hot tub she had no intention of getting out of she was two weeks late which is about the same amount of time it still takes her to get ready for a routine outing Patterson sitting gape-mouthed and astonished at the miracle he'd played a very small part in making happen and Nancy his wife bawling with joy and no doubt relief for the end of the excruciating pain A pain Patterson understands akin to a man wrapping his bottom lip around the top of his stupid head Now after more than two decades of travelling the world making people laugh and seven years at the helm of The Debaters on CBC Radio suddenly it wasn't about him anymore Which granted should also have been the case as soon as he was married but that's not the same as being responsible for another human's very existence These were the thoughts on his mind as Scarlett was passed from the arms of hospital attendants into Nancy's and then finally into his Daddy she said Well not exactly Scarlett couldn't speak English the second she was born She's smart but she's not that smart But Patterson could tell she knew exactly who he was She looked right into his soul and he could hear her speak even if no one else could Daddy she said You better not screw this up Over the next several years Patterson would learn just how much he didn't know From

how to get free stuff for your child to the many ways that toddlers resemble politicians parenting is a constant adventure And although it s the toughest job there is it can also be hilarious
