Bonded For Eternity:

Pinkertons, Prostitutes and Spies John Stewart,2019-07-12 Hattie Lawton was a young Pinkerton detective who with her partner Timothy Webster spied for the U S Secret Service during the Civil War Working in Richmond the two posed as husband and wife A dazzling blonde from New York and a handsome Englishman both with checkered pasts they were matched in charm cunning duplicity and boldness Betrayed by their own spymaster Allan Pinkerton they fell into the hands of the dictator of Richmond the notorious General John H Hog Winder This lively history scrupulously researched from all available sources corrects the record on many points and definitively answers the long standing question of Hattie Lawton s true identity The Afterloch Spinnaker Weddington,2013-12-10 The Afterloch is the second narrative collection of the

Unleash The Loch series Primarily mental philosophy it establishes a narrative which exists mostly in the minds of those who are stuck in situations without knowing what has happened Cursed or blessed with unconsciousness and a lack of being able to immediately remember and reflect upon where they have been and what has happened to them very little communication and incidence ensues and they all end up somewhat trapped in the philosophical mentalities they are snagged into by being void of any connection to any true fictional reality If no thing much is happening all they can really do is think and think they do but much of their inner lives is philosophy religion and social judicial histrionicism Essentially nothing is really happening in terms of conversation and incidence But what unravels is how even when seemingly nothing is happening so much can be happening inside peoples minds Moreover something is happening in terms of their contexts More a concourse of philosophy and thinking than any true narrative entertainment what unravels stands in difference to the consistent fictional element of the earlier book and predicates a somewhat sinister expos on the problems of living a life in the mind At bottom if fiction is not happening philosophy is And if such is in somewhat uncomfortable situations fanaticism is bred **The Breach of**
