TAMAYO OLIVE, Tahimy Peña Oliva, 2025-02-12 This book tells the moving story of a family who faced the heartbreaking loss of a son who was only 11 years old Through these pages it reveals how clinging to their faith in God and His perfect and loving will they were able to transform their deep grief into a source of strength They found meaning and purpose in the midst of adversity and learned to trust that even in the darkest moments God has a plan In addition this book offers practical and hope filled advice for those going through the various stages of grief providing tools to face this difficult process with resilience love and trust in the Lord **Death, Grief and Poverty in Britain, 1870-1914** Julie-Marie Strange, 2005-07-25 A study of expression of grief among the working class in Victorian and Edwardian Britain **On Angels' Wings** J. the same dark shadows experience the same emotions and have come out the other side wounded yet still standing On Angels Wings is a frank stark and very personal journey of one man struggling to deal with the terrible loss of his son It is a rare glimpse of a man struggling with the stoic provider model he must break free from to be completely human and to experience the grief most hold inside in a quiet rage Through one s ability to deal with his humanness and weakness others particularly men will see a window to healing We are not alone On Angels Wings will provide comfort to those grieving a loss by allowing for a glimpse into the head and heart of another dealing with the worst of all parent s nightmares To simply see that others deal with the same feelings of guilt anger rage and sorrow will help in the healing after the loss Justin Matott
