HERE TO PLAY INTERACTIVE
TEXT-EVIDENCE GAME

PREPARATION

- For the online Tool Kit, go to www.scholastic.com/actionmag; on the home page, click the orange "Teaching Resources" button.
- Photocopy page T3 from this Teaching Guide.

PROCEDURE

15 minutes: Read "Two Days With No Phone" as a class. Check in at the end of each section to facilitate discussions about key ideas and important vocabulary words that have emerged.

15 minutes: Reread the article together again, as well as the visual text on page 24. This time, pause to ask text-based questions, such as those listed below. Every time a student offers a response, challenge him or her to pinpoint evidence from the text that supports the answer. This is called "text evidence." You might choose to replicate the chart below on the board and fill it in as students respond to questions.

Question	Response	Text Evidence
Using information from the article and the chart on page 24, what can you conclude about the number of texts Franchesca sent and received each day before she took the 48-hour challenge?	She sent and received more texts than most other teens.	Franchesca sent and received about 1,000 texts per day. According to the graph, only 18 percent of teens send and receive more than 200 texts each day.
What is one effect that "sleep texting" might have on teens' success in school?	Teens might have trouble concentrating or fail a test because they didn't get enough sleep.	Teens sometimes text during the night, which stops them from getting the 8 to 11 hours of sleep they need.

ASSESSMENT

10 minutes: Distribute page T3 for students to practice answering text-based questions and citing text evidence.

ONLINE EXTENSION

Go to www.scholastic.com/actionmag to play an interactive text-evidence game. Students may play individually or as a class, using a computer or whiteboard.

DIFFERENTIATION/SCAFFOLDING

Encourage students to mark up their magazines. For example, they might circle the paragraph where they found an answer to a question and then underline the specific text evidence within the paragraph that supports their response.
