Dade District Pacing Guide 2015:

Public Gardens and Livable Cities Donald A. Rakow, Meghan Z. Gough, Sharon A. Lee, 2020-11-15 Public Gardens and Livable Cities changes the paradigm for how we conceive of the role of urban public gardens Donald A Rakow Meghan Z Gough and Sharon A Lee advocate for public gardens as community outreach agents that can and should partner with local organizations to support positive local agendas Safe neighborhoods quality science education access to fresh and healthy foods substantial training opportunities and environmental health are the key initiative areas the authors explore as they highlight model successes and instructive failures that can guide future practices Public Gardens and Livable Cities uses a prescriptive approach to synthesize a range of public private and nonprofit initiatives from municipalities throughout the country In doing so the authors examine the initiatives from a practical perspective to identify how they were implemented their sustainability the obstacles they encountered the impact of the initiatives on their populations and how they dealt with the communities underlying social problems By emphasizing the knowledge and skills that public gardens can bring to partnerships seeking to improve the quality of life in cities this book offers a deeper understanding of the urban public garden as a key resource for sustainable community development **The 1:1 Roadmap** Andrew P. Marcinek, 2014-10-28 Technology is more than just Computer Class it is a literacy that must be threaded throughout the fabric of a school In a 1 1 environment you re preparing students to be responsible citizens of the physical and digital worlds But it s easy to get overwhelmed with devices you have to have a plan for technology that keeps learning at center stage Here you ll find a solid plan for designing a technology initiative that fuels student learning Real life examples lessons and interviews with stakeholders show you Why a 1 1 program is not only achievable but also beneficial and necessary How to choose the right devices The best ways to prepare teachers through professional development Best practices for instruction and personalization in a 1 1 environment It s more essential than ever to integrate digital and information literacy into the fabric of our schools This practical resource will get you started on the journey Marcinek provides a desperately needed resource based on practical experience that will help districts effectively and properly implement 1 1 initiatives Eric Sheninger Educational Consultant and Corwin Author Digital Leadership Ultimately going 1 1 is about fostering a culture of trust and innovation and this doesn t happen overnight you need a strong plan Marcinek helps leaders get started with a 1 1 implementation and teaches us how to prepare the entire school community for digital citizenship Salome Thomas EL Award winning Principal and Author of The Immortality of Influence **Homestead Air Force Base (AFB), Disposal and Reuse**, 1994 West's Southern Reporter, 1998 **Journal of the Senate, State of Florida** Florida.
