Bibliografia națională română, 2003 **Bibliografia națională română**, 2003 **Bibliografia națională a României**, 2003 **Innovation and Industrial Development in China** Kaidong Feng, 2019-08-30 This book focuses on China's economic transformation at firm and institution levels. It shares insights into the growth of innovative Chinese firms in the automobile and telecom equipment sectors both of which promoted social dialogue of policy making and ultimately contributed to a policy paradigm shift in China's indigenous innovation. The book illustrates through case studies on firms like Geely, the Chery, the BYD, Huawei, the ZTE and the DTT how these firms behave differently from other local actors and what social conditions had contributed to their success. The book will help those who are interested to learn more about the rise of innovative Chinese firms to better understand the dynamics of China's industrial progress.
