Deviant Knight N. E. Henderson, 2023-10-23 How does a man get over the first woman he ever loved I didn't get to say goodbye to my mother When I watched her coffin lower into the ground I swore I'd never love another that deeply again I didn't have to I found solace in the opposite Krishna is hard like me I keep him at arm's length no matter how much I prefer him in my bed Together we can be whatever we want The monsters we keep at bay to avoid someone getting hurt can come out to play with each other My life was stable controllable Then my father issued an order I wasn't expecting a bride Ciera is soft but her eyes are constantly challenging my authority She has a backbone that only shows when her smart mouth is telling me off Aside from the physical release they provide I've never wanted a woman for more than one night but from the moment my dark gaze fell on her emerald stare I wanted to wrap my hand around her pretty little throat and claim her as mine I can't let her be my downfall I can't allow them to be my undoing I won't make my father's past mistakes I won't lose those I vowed to protect
