Voigt,2015-08-15 Unlike most coloring books the concept behind Doodling For Adults illustrates a unique step by step guide to truly imaginary doodling Each image will challenge your imagination as you decide where to add more shapes dynamic textures striking patterns and vivid colors Doodling For Adults is a completely new and unique drawing technique that helps regain one s confidence and pure enjoyment of drawing again Research shows that doodling is truly a natural healthy and creative experience that helps you remain alert while in a relaxed state of mind Doodling during meetings can actually help you retain information Doodling For Adults is an exciting drawing technique that allows you to record fresh ideas while relaxing your mind Just like putting puzzle pieces together this book teaches you how to enter deeper levels of creative problem solving It frees you from relying on old preconceived ideas thus heightening your clarity and creativity While this drawing technique was originally designed to help busy adults who have forgotten how to relax it s also for children of all

ages who enjoy unique doodling and coloring experiences So get out your art supplies and start having fun adding more shapes more lines more textures and more patterns Open this amazing book to any page and begin having fun exploring 100 unique doodle designs EXPANDED DESCRIPTION EXPLORING A UNIQUE DRAWING TECHNIQUE Art is more than just a noun it s an unlimited active moving verb Richard Marvin Voigt aka RIVO This exclusive collection of 100 Doodling For Adults coloring book images explores a unique drawing experience that builds confidence and appreciation for your own approach to doodling It was designed as a mistake free technique that allows your brain to freely react and record what it s intuitively thinking and feeling without forcing the hand to construct a preconceived image or idea This experience is more about learning how to relax and have fun It s really about harnessing the power of relaxation while exploring and developing your own or your child s creativity center It s a place held within every mind from which All Innovative Ideas begin to unfold It s the difference between limiting your brain as a garden hose allowing it to generate ideas on the scale of a mental Niagara Falls The choice of how you use your mind and time has always been yours and yours alone Richard specifically created this technique so that anyone adult or child could enjoy developing or expanding a skill they weren t sure they could learn especially adults For many adults this approach has always been considered more difficult because they quickly learned at an early age how to be self critical by comparing their abilities to that of others who appeared more gifted in accomplishing artistic tasks more easily The truth is no new skill comes easy but rather it s really about focusing on the three D s desire discipline and determination What people rarely see or understand is the time others spend developing personal interests into passionate skills It s a well known fact that anyone who is truly committed and determined to accomplish a specific goal and willing to apply the time energy and specific focus to meet that goal will become more successful in developing that specific skills They do not make excuses or quit Your brain is constantly full of energy while sleeping or awake It s always seeking channel for expression Therefore this drawing approach isn t merely meant as just a coloring book Its ultimate goal is to encourage you to gain confidence in creating and building your own unique doodle puzzle designs filled with exciting shapes lines textures patterns and color It s time to dive in and turn to any page Simply breathe relax and have fun drawing and coloring again No age limitation for having fun anymore Seemore of our latest publicati      *Subject Guide to Books in Print* ,1997
