Journal of the ... Annual Convention, Diocese of Mississippi ,1874 **The Literary World** ,1885 *Revival of Evangelicalism* Andrew Michael Jones,2022-01-05 The Revival of Evangelicalism presents a critical analysis of the evangelical movement in the national Church It emphasises the manner in which the movement both continued along certain pre Disruption lines and evolved to represent a broader spectrum of Reformed Presbyterian doctrine and piety during the long reign of Queen Victoria The author interweaves biographical case studies of influential figures who played key roles in the process of revival and recovery including William Muir Norman MacLeod and A H Charteris Based on a diverse range of primary sources the book places the chronological development of established evangelicalism within the broader context of British imperialism German biblical criticism European Romanticism and Victorian print culture **Hugh Douglas** Colin Forrester-Paton,1993 The Very Revd HUGH O DOUGLAS KVC O CBE DD LL D became widely known through his popular TV series *Coping with Life* and as Moderator of the General Assembly of the Church of Scotland His notable ministry was above all a parish ministry and it is shown here through the eyes of those who experienced it at first hand Hugh the preacher Hugh the leader of worship the pastor speaker to civic life and so on This presentation is complemented by Hugh s own preaching and teaching and ends with an epilogue reflecting on the ways this ministry throws light on the Church today **The Marrow of Certainty** Chun Tse,2023-06-12 Assurance was a central issue for the eminent Scottish theologian pastor Thomas Boston long before it emerged as a focal point of the theological debate in the Marrow Controversy In *The Marrow of Certainty* Chun Tse presents the first full length study of Boston s theology of assurance in six dimensions trinitarian covenantal Christological soteriological ecclesiastical and sacramental This work not only furnishes the first ever intellectual biography of Boston in his Scottish context and controversies but it also cross studies the theology of the Marrow of Modern Divinity with Boston s notes This research argues that Boston s doctrine of assurance centres on union and communion with Christ the architectonic principle of his theology The book challenges the common conception that Boston s theology merely follows Calvin the Scots Confession the Marrow the Westminster Standards and Scottish federalism Boston most strikingly holds in tension assurance as intrinsic to faith itself a gift from God s sovereignty in election while insisting on self examination as a human responsibility This salient mark of his doctrine of assurance originates from his assertion that Christ died for the elect alone but all elect or not have the warrant to receive Christ As such assurance is theologically a divine gift and pastorally a human endeavour Certainty is thus both extra nos and intra nos Boston this study reveals has a potent and enduring power to speak on the perennial issue of assurance rooted in the person of Christ whom he considers as being the covenant itself *The Bookseller* ,1913 *King's College Chapel, Aberdeen, 1500-2000* Jane Geddes,2020-10-28 This new edition is a revised and expanded version of the book produced in 2000 to celebrate the quincentenary of King s College Chapel Aberdeen Since then exciting discoveries have taken place and old ideas have been reappraised The choir stalls and

woodwork have provided a fresh seam of information about the meaning and use of the medieval chapel Daniel MacCannell has identified new iconography in the stalls Jane Geddes prompted by the installation of the new organ has investigated the original function and appearance of the great pulpitum or screen between the choir and nave and discovered the location of a magnificent lost organ loft Mary Pryor and John Morrison have examined the great baroque biblical paintings and come up with a totally new interpretation of their iconography and function a political warning to King Charles II Easter Smart the university chaplain describes the flexible and ecumenical use of the chapel today The revised edition appears in time to honour the quincentenary of the death of Bishop William Elphinstone the founder of Aberdeen University who died in 1514 This book aims to integrate his legacy to the chapel the liturgy music architecture and fittings Thanks to an unusually tolerant and conservative attitude towards religion at the university following the Reformation the chapel has survived in a more complete medieval state than any other church in Scotland The rich archive of university documents show how benign neglect and a fierce pride in their iconic building caused the university to maintain the structure and its furnishings even during the long centuries when it ceased to serve a religious function
