Beginning January 2020 DEPM has migrated all of our Co-op and Condo managed properties into the latest version of our Yardi management accounting software called Yardi 7s. Our rental portfolio has been using the 7s version since 2018 so there is no change for those properties. We are excited about the new features that Yardi 7s has to offer our management, accounting team and board members and we will be provided updates beginning in the 2nd Quarter of 2020 once the initial conversion process is completed.

In addition, in Q2 2020 we will be adding increased reporting functionality with the ability to run comparative financials with other properties and a more streamlined and easier to read financial report package.

Working with the latest technology is just one way that DEPM remains the #1 Residential Management firm in New York City. 🌟
