The Motion Picture Guide Jay Robert Nash, Stanley Ralph Ross, 1986      Dr. Chuck Tingle's Complete Guide to Time Chuck Tingle, 2018-12-24

World-renowned author Dr. Chuck Tingle is back with this brand-new guidebook ready to lead readers through the inner workings of The Tingleverse with this powerful and enlightening volume on the mysterious subject of time. Within these pages, the twice Hugo-nominated author will deftly explain the layers of reality that make up our existence, examining timelines from this reality and the next. Several historical eras are covered from the handsome gladiators of Ancient Rome to the true buckaroos of the American West. As a seasoned timeline traveler himself, Dr. Tingle even explores notable eras of the future like The Great Robot Trot or the colonization of Mars. Even some of the universe's greatest mysteries are revealed with sections detailing the truth behind The Big Bang or examining how the first spark of life occurred. An important resource for all who understand love is real, this guidebook for time will fill in the blanks between realities and balance the forces of what could never be and what is.
