War Cho's theology successfully contextualized became deeply lodged in the Korean Pentecostals' lives which resulted in the growth of strong churches in Korea. But the context has now changed in part due to the gospel's successful penetration of Korean culture and the Threefold Blessing must be reinterpreted and theologically recontextualized. The original Threefold Blessing emphasized the wellbeing of the individual person. The new Threefold Blessing must expand its theological perspectives to include social and ecological matters. This book suggests ways for its recontextualization for present and future of Korean Pentecostals.

*God Will Do It for You* Joe T.A. Nwokoye, 2015-11-19 The book is about a black young man who left Africa for UK without knowing where he was going and arrived and settled in a white country. Everything in this planet earth is subject to change. Only the Creator of the universe cannot change. It's a matter of learning how to overcome life's obstacles and not giving up on dreams. If things seem to go awry, God will provide the resources and he never fails. This book will lift you up if you are down and point you to the right road if you feel lost in this world. Even if you are knocked down, you are not knocked out. The impossible becomes possible. The storms of life will come and they will pass.
