## Dr Tom Wagy:

Floridian of His Century Martin A. Dyckman, 2006-08-01 Six years after his election as a segregationist Florida governor LeRoy Collins denounced racial discrimination as contrary to moral simple justice In 1991 the Florida House of Representatives eulogized Collins as the Floridian of the Twentieth Century and today Collins is remembered as one of Florida's outstanding governors As champion against rural misrule in 1954 and as the voice of racial moderation in 1956 Collins won the two most important gubernatorial elections in Florida history In Floridian of His Century a political portrait of this controversial Southern governor Martin Dyckman argues that Collins's courageous moral leadership spared Florida the humiliation that befell other states under less enlightened leaders      **The Delegates to the Saint Joseph**

**Constitutional Convention, 1838-1839** ,1980      **The Struggle for Black Freedom in Miami** Abigail Cloud, 2014-04-07

In her first collection of poems Abigail Cloud draws inspiration from nineteenth century European Romantic ballets which often portrayed scorned females as mystical spirits such as sylphs shades and wilis Some of these creatures seduced men into dancing until they died punishment for inconstancy or lured them into love For Cloud the dark gravity that holds these enchanters to the earth is the same as our own and thus these demons are as everyday as air Sylph filters our world through the lenses of dance folklore and history revealing our contemporary lives to be dreamlike and prismatic In the blink the mouse spent to disappear I loved you avows the sylph The cost of her ascension and ours is steep our price speech our forgetting breath Such are the stakes in this complex seductive and stunning debut      Trouble, Trials, and Vexations: The

Journal and Correspondence of Rachel Perry Moores, Texas Plantation Mistress Thomas W. Cutrer, 2025-01-28 Rachel Moores and her husband David operated a cotton plantation in the bottoms of the Sulphur River in North East Texas From that vantage point they viewed the changing fortunes of Texas as the American Civil War opened their privileged lifestyle David went to war while the task of operating this large farming enterprise fell to Rachel More than 2000 acres and dozens of enslaved people fell to her to manage This dairy chronicles her struggles and provides a priceless voice of a woman having to adapt and overcome the adversities of that violent age Female perspectives often get overlooked when discussing the American Civil War and the effects of distant events often had catastrophic implications on the folks back home Rachel's Moores diary provides a priceless window into the changing realities of Texans who once bet their futures on the value of cotton This diary and journal will be an important addition to the scholarship about elite white women and their lives in the antebellum south This manuscript is unique in that it is an extensive and detailed look into the life of a woman of the slave owning class in frontier Texas offering not only her vivid view of the slave system but of the daily life of a plantation mistress and of an invalid seeking a cure for her disease from New Orleans to New York      History of Clay and Platte Counties,
