Return to Romance Ogden Whitney,2019-10-01 By turns amusing and disturbing this collection of 1960s romance comic strips provides a provocative window into male female power dynamics as conceived by one of mid century America s foremost comic book artists Ogden Whitney was one of the unsung masters of American comics He is perhaps best remembered for co creating the satirical superhero Herbie Popnecker also known as the Fat Fury but his romance comics of the late 1950s and 1960s may be even more unique In Whitney s hands the standard formula of meet cute minor complications and final blissful kiss becomes something very different an unsettling vision of midcentury American romance as a devastating power struggle a form of intimate psychological warfare dressed up in pearls and flannel suits From suburban lawns and offices to rocket labs and factories his men and women scheme and clash dominate and escape It is darkly hilarious truly terrifying and yes occasionally even a bit romantic
