Double Standards M.B. Malik,2016-03-10 In recent years we have seen massive fines and penalties dished out to almost every major bank in the world for breaking the law Yet these banks are considered too big to indict in today s world due to the threat of destabilizing the financial system Double Standards travels 25 years back to explore the story of a bank with roots in the Middle East that rose to prominence and became the fastest growing bank in the world It was called the Bank of Credit Commerce International known as BCCI and became the 4th largest bank in the world by 1991 It became the bridge between the Third World and the West and at its height was bailing out governments in developing countries like the IMF or World Bank It was also a favourite port of call for some more notorious clientele like the CIA who used the bank to facilitate its covert operations overseas The Bank of England and US authorities shut the BCCI down amidst allegations of fraud in July 1991 making over 14 000 employees redundant and leaving over 1 million customers out of pocket Double Standards revisits the actions taken by the Bank of England and the regulatory authorities with regards to BCCI and carries out an academic analysis to compare its treatment with the major banking scandals following the global financial meltdown in 2008 The malpractice that BCCI was accused of was on par with a parking violation compared to the actions of the bigger banks of today yet the fines and penalties to these banks are not as severe as the punishment meted out to BCCI Why was the bank shut and more importantly who benefitted from its closure This informative analysis of BCCI s rise and fall will appeal to those with an interest in finance and banking law **Kenneth Kaunda of Zambia** Fergus Macpherson,1974 **Annual Report** Zambia. The Rotarian ,1980-10 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Arab Observer ,1965 Annual Report - Ministry of Education Zambia. Ministry of Education,1964 A Non-racial Island of Learning Michael Gelfand,1978 **How Africa Developed Europe** Mhango, Nkwazi N.,2018-02-19 Whether Africa is developed or not depends on how and what one addresses Development is relative Nonetheless the fact is Africa developed Europe and thereby became underdeveloped Addressed academically the notion of development creates many questions amongst which are Development in what Whose development Development for whom Who defines development In this volume the development dealt with is polygonal and touches on politico economic sequels which also affect the social aspect No doubt Africa is abundantly rich in terms of resource and culture Paradoxically however Africa is less developed economically compared to Europe thanks to the history of unequal encounters among other reasons We

cannot emphasise enough the fact that Africa's underdevelopment is the price of the development of Europe which is based on historical realities gyrating around Europe's criminal past wherein slavery and colonialism enabled Europe to spawn its future capital and investment. How can anyone quibble about Europe's development resulting from perpetual plunderage of Africa with impunity committed by European treasure hunting adventurers? This volume prescribes Africa's restorative recompense as the only way forward for the duo and the world. *Daily Graphic* Ransford Tetteh, 2014-09-20 *Southern Africa Political & Economic Monthly*, 1996 *Africa Quarterly*, 2002 *Congress Varnika*, 1984 **The Southern African Development Directory**, 2000 *Report of the Annual Conference* Labour Party (Great Britain), 1957 *India Perspectives*, 1988
