Magic, Monsters, and Make-Believe Heroes Douglas E. Cowan, 2019-01-29 Magic Monsters and Make Believe Heroes looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can't possibly be true Contrary to popular belief it's not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today Welcome to Dragon Talk Shelly Mazzanoble, Greg Tito, 2022-12-05 If it seems like everyone you know is playing Dungeons Dragons it's because they are After nearly five decades the iconic roleplaying game is more popular than ever Famous Hollywood actors and directors therapists educators politicians kids parents and grandparents all count themselves as fans In Welcome to Dragon Talk hosts of the official D D podcast Shelly Mazzanoble and Greg Tito and their surprising guests show how this beloved pastime has amassed a diverse tight knit following of players who defy stereotypes Shelly and Greg recount some of their most inspiring interviews and illuminate how their guests use the core tenets of the game in everyday life An A list actor defends D D by baring his soul and his muscles on social media A teacher in a disadvantaged district in Houston creates a D D club that motivates students to want to read and think analytically A writer and live streamer demonstrates how D D inspired communication breaks barriers and empowers people of color Readers will see why Dungeons Dragons has remained such a pop culture phenomenon and how it has given this disparate and growing community the inspiration to flourish and spread some in game magic into the real world Dragon Magic Owen K.
