The Perfect Scout George W. Quimby, 2018-01-16 A rare and dramatic first

person account by a Union scout who served General William Tecumseh Sherman on his march to the sea After his father in law passed away Stephen Murphy found among the voluminous papers left behind an ancestral memoir Murphy quickly became fascinated with the recollections of George W. Quimby 1842-1926 a Union soldier and scout for General William Tecumseh Sherman Before Quimby became a part of Sherman's March he was held captive by Nathan Bedford Forrest's troops in western Tennessee He joined Sherman's Army in Vicksburg destroying railroads and bridges across Mississippi and Alabama on the way to Georgia As the notorious march began Quimby became a scout and no longer experienced war as his fellow soldiers did Scouts moved ahead of the troops to anticipate opportunities and dangers The rank and file were instructed to be seen and feared while scouts were required to be invisible and stealthy This memoir offers the rare perspective of a Union soldier who ventured into Confederate territory and sent intelligence to Sherman Written around 1901 in the wake of the Spanish American War Quimby's memoir shows no desire to settle old scores He's a natural storyteller keeping his audience's attention with tales of drunken frolics and narrow escapes providing a memoir that reads more like an adventure novel He gives a new twist to the familiar stories of Sherman's March reminding readers that while the Union soldiers faced few full scale battles the campaign was still quite dangerous More than a chronicle of day to day battles and marches The Perfect Scout is more episodic and includes such additional elements as the story of how he met his wife and close encounters with the enemy Offering a full picture of the war Quimby writes not only about his adventures as one of Sherman's scouts but also about the suffering of the civilians caught in the war He provides personal insight into some of the war's historic events and paints a vivid picture of the devastation wreaked upon the South that includes destroyed crops and homes and a shattered economy He also tells of the many acts of kindness he received from Southerners including women and African Americans who helped him and his fellow scouts by providing food shelter or information

Field Thrilling Stories of the War in Camp and of the Field of Battle The Cavalry Soldier Scout and Dispatch Bearer Private Non Commissioned Officer Commander of Skirmish Lines In Over Thirty Engagements I enlisted in the service of the United States at Joliet Illinois September 20th 1861 and went with my company to St. Louis Missouri and into camp in Abbey Race Course as the 9th Company of Fremont Hussars or as they were formerly called Fremont's Body Guard We formed into the second Battalion which was commanded by Major Knott The first battalion was commanded by Major Zagongi Both battalions were drilling their horses at the Abbey Race Course for about three weeks Here also I had my first experience of a night in camp We reached camp about 11 o'clock P.M. and received our orders to take a wedge shaped tent which would accommodate about four men We had no blankets and only about two inches of straw on the ground Soon after reaching camp it began to rain When the reveille sounded for the break of day I awoke to find myself in about four inches of water Soon after our arrival at Abbey Race Course our horses were

assigned to us which were purchased by Freemont General Freemont selecting them in person We drew no clothing from this camp except caps and boots We were moved shortly afterward and took up camp in the amphitheatre Our company at the time consisted of about thirty men commanded by W W Danforth as Captain and Ira B Swain 1st Lieutenant These officers were very strict with their men and would enlist no man who indulged in any kind of intoxicating liquors We had another trouble which proved to be of great importance to all concerned About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
