THE MEMOIRES OF CASANOVA venetian years by Jacques Casanova de Seingalt **Casanova and His Time (Classic Reprint)** Edouard Maynial, 2015-08-04

Excerpt from Casanova and His Time There are works as there are men which are better than their reputation The former have been injured by their readers the latter by their evil company Casanova's company was of the worst and for a long time his readers were very nearly to match He was read at the age of unhealthy curiosity the complacently detailed list with all the names in place of his bonnes fortunes the tale of his erotic prowess the bewildering chronicle of his facile loves served as a pasturage for boyish or senile imaginations Hence the notoriety which has emblazoned his Memoirs But gradually another kind of curiosity fastened on him that of research Men of learning critics historians perceived in this rich tissue of cosmopolitan intrigues and adventures the thread of a genuine destiny and these have found in the Memoirs not the too faithful portrait of a professional libertine but one of those vivid fresh original documents which help to construct the history of a whole social epoch Much has been written on Casanova's Memoirs About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Memoirs of Jacques Casanova de Seingalt, Vol. V (of VI), "In London and Moscow" Jacques Casanova de Seingalt, 2012
