**Forms of Emotion** Peta Tait, 2021-11-29 *Forms of Emotion* analyses how drama theatre and contemporary performance present emotion and its human and nonhuman diversity. This book explores the emotions emotional feelings mood and affect which make up a spectrum of emotion to illuminate theatrical knowledge and practice and reflect the distinctions and debates in philosophy neuroscience psychology and other disciplines. This study asserts that specific forms of emotion are intentionally unified in drama theatre and performance to convey meaning counteract separation and subversively champion emotional freedom. The book progressively shows that the dramatic and theatrical representation of the nonhuman reveals how human dominance is offset by emotional connection with birds animals and the natural environment. This book will be of great interest to students and researchers interested in the emotions and affect in dramatic literature theatre studies performance studies psychology and philosophy as well as artists working with emotionally expressive performance.

Theatre Symposium, Vol. 26 Sarah McCarroll, 2018-11-13 A substantive exploration of theatrical costume. Stage costumes reveal character. They tell audiences who the character is or how a character functions within the world of the play among other things. Theatrical costuming however along with other forms of theatre design has often been considered merely a craft rather than part of the deeply systemic creation of meaning onstage. In what ways do our clothes shape and reveal our habits of behavior? How do stage costumes work to reveal one kind of habit via the manipulation of another? How might theatre practitioners learn to most effectively exploit this dynamic? *Theatre Symposium Volume 26* analyzes the ways in which meaning is conveyed through costuming for the stage and explores the underlying assumptions embedded in theatrical practice and costume production.

**The Methuen Drama Handbook of Women in Contemporary British Theatre** Marissia Fragkou, Rebecca Benzie, 2025-02-06 This

handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st century British theatre. The book explores key issues and methodologies relevant to women working in the UK's theatre industry including the legacies of feminism and its role in shaping contemporary work by women, the politics of visibility and inclusion in theatrical institutions and collaborative strategies in creating original work. It closely examines how women in contemporary British theatre tackle urgent social issues such as environmental risk, the representation of marginalized identities and mental and physical wellbeing. Chapters by both established and early career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women's work in 21st century British theatre by engaging with contemporary debates from theatre and performance studies and cultural theory. A concluding roundtable with women theatre practitioners addresses key questions pertaining to their work including working conditions, the politics of funding and of ageing, disability and care. With a foreword by the Guardian's chief theatre critic Arifa Akbar and featuring research tools such as introductions to sections, a detailed list of sources and an annotated bibliography, this is an authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary British theatre and performance.

**Analysing Gender in Performance** J. Paul Halferty, Cathy Leeney, 2022-12-12

**Analysing Gender in Performance** brings together the fields of Gender Studies and Performance Analysis to explore how contemporary performance represents and interrogates gender. This edited collection includes a wide range of scholarly essays as well as artists' voices and their accounts of their works and practices. The Introduction outlines the book's key approaches to concepts in English language gender discourses and gender's intersectionalities and sets out the approaches to performance analysis and methods of research employed by the various contributors. The book focuses on performances from the Global North staged over the past fifty years. Case studies are diverse, ranging from site-specific dance theatre, speculative drag installation and music video performances to Mabou Mines, Churchill, Shakespeare and Ibsen. Contributors explore how gender intersects with sexuality, social class, race, ethnicity, indigeneity, culture and history. Read individually or in tension with one another, the essays confront the contemporary complexities of analysing gender in performance.

**Theatrical Performance and the Forensic Turn** James Frieze, 2019-04-09

Contemporary theatre like so much of contemporary life is obsessed with the ways in which information is detected, packaged and circulated. Running through forms as diverse as neo-naturalistic playwriting, intimately immersive theatre, verbatim drama, intermedial performance and musical theatre, a common thread can be observed: theatre makers have moved away from assertions of what is true and focussed on questions about how truth is framed. Commentators in various disciplines including education, fine art, journalism, medicine, cultural studies and law have identified a forensic turn in culture. The crucial role played by theatrical and performative techniques in fuelling this forensic turn has frequently been mentioned but never examined in detail. **Theatrical Performance and the Forensic Turn** is the first account of the relationship between

theatrical and forensic aesthetics Exploring a rich variety of works that interrogate and resist the forensic turn this is a must read not only for scholars of theatre and performance but also of culture across the arts sciences and social sciences *The Theatre of Caryl Churchill* R. Darren Gobert, 2014-09-25 The Theatre of Caryl Churchill documents and analyses the major plays and productions of one of Britain's greatest and most innovative playwrights Drawing on hundreds of never before seen archival sources from the US and the UK it provides an essential guide to Churchill's groundbreaking work for students and theatregoers Each chapter illuminates connections across plays and explores major scripts alongside unpublished and unfinished projects Each considers the rehearsal room the stage and the printed text Each demonstrates how Churchill has pushed the boundaries of dramatic aesthetics while posing urgent political and theoretical questions But since each maps Churchill's work in a different way each deploys a different reading practice for many approaches are necessary to characterise such a restlessly imaginative and prolific career Through its five interlocking parts The Theatre of Caryl Churchill tells a story about the playwright her work and its place in contemporary drama **Far Away** Caryl Churchill, 2001 The Chicago Tribune calls this chilling new play a masterpiece from one of the most valuable playwrights working today **Masterplots II.** Frank Northen Magill, 1990 **Linguistics and Language Behavior Abstracts** ,2007-10 **American Theatre** ,1991 Forthcoming Books Rose Arny, 1996 *Theatre Record* ,1999 **The Advocate** ,1997 The New Yorker Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2008 **Current Contents** Institute for Scientific Information (Philadelphia), 1999 Plays and Players ,1987 The Hollywood Reporter ,2007 Bibliographic Guide to Dance New York Public Library.
