David Lightfoot had exclusive access to the designers, engineers and production personnel involved in the Z4 and provides an exciting behind-the-scenes look into the process. Never before has the story been told of how BMW brings together creative people and world-renowned technical resources to deliver dream machines to its devoted clientele. David Lightfoot is a BMW enthusiast of the first order. He writes for Roundel, the publication of the BMW Car Club of America, on topics ranging from BMW history to future products and development. A particular interest is high performance driving; he has been an instructor with his local BMW Club for more than 20 years. The irony of his driving style and his last name have been brought to his attention many times. He is a lifelong
