Totalitarian (In)Experience in Literary Works and Their Translations Bartłomiej Biegajło, 2018-10-19 This book explores the different images of totalitarianism in 20th century literature and the capacity of the theory of Natural Semantic Metalanguage to be adopted in a comparative literary study in the analysis of four totalitarian literary works written in Polish and English together with their translation into English and Polish respectively The key question addressed here is the totalitarian experience which it is assumed conditions the literary reflections of the regime provided by Aldous Huxley George Orwell Czesław Miłosz and Tadeusz Konwicki Brief biographical details are provided with regards to each of the writers and their private experiences are linked with the works they published Additionally key concepts are named for each of the works subject to discussion and it is their cross linguistic analysis carried out within the NSM framework that forms the core of the book

The Works of Anatole France in an English Translation Anatole France, 1922 Living in Translation, 2021-11-01 Living in Translation Polish Writers in America discusses the interaction of Polish and American culture the transfer of the Central European experience abroad and the acculturation of major representatives of Polish literature to the United States Contributions written by American specialists in Polish Studies tell the story of contemporary Polish expatriates who recently lived or are currently living in the U S These authors include directors screen writers Roman Polanski and Agnieszka Holland the Nobel Prize laureate poet Czesław Miłosz theatre critic Jan Kott prose writer Jerzy Kosinski essayist Eva Hoffman and poet translator Stanisław Barańczak Living in Translation presents these and other writers in terms of the duality of their profiles resulting from their engagement in two different cultures It documents problems encountered by those who became expatriates in response to a totalitarian system they had left behind And it revises and updates the image of the Polish exile authors refocusing it along the lines of culture transfer border straddling and benefits resulting from a transcultural existence

Decentering European Intellectual Space, 2018-05-15 Decentering European Intellectual Space challenges the conventional view of intellectual history as a debate over the interpretation of a limited number of texts produced by a small group of prominent scholars writers and intellectuals from the cultural centers of Europe Addressing the question What is European intellectual space this collection of essays seeks to demonstrate how this space is shaped ordered and communicated between Europe's fluctuating cores and peripheries Focusing on the asymmetrical relations between large and small centers and peripheries cores and margins in scholarly and other forms of interaction and within Europe as well as globally the volume brings forth a variety of trajectories and strategies developed by intellectuals outside the culturally dominant centers Contributors are David Cottington Narve Fulsø Tommaso Giordani Marja Jalava Zsuzsanna Lőrincz Mikołaj Lejko Diana Mishkova Stefan Nygård Emilia Palonen Manolis Patiniotis Johanna Rainio Niemi Tore Rem Jos María Rosales and Johan Strang

The Reluctant Political Thinker Sherman W. Garnett, 2025-05-19 Czesław Miłosz was a poet and public writer for almost eight decades and still remains a tremendous

figure in world literature four decades after he won the Nobel Prize and two decades after his death Mi osz saw himself as an artist flying above the political fray but he left the building blocks for an analysis of his political and social thought in plain sight In this book Sherman Garnett explores this crucial neglected aspect of Mi osz s thinking by closely studying a wide range of his Polish and English writings arguing that he held a unique nuanced political philosophy Mi osz s observations on totalitarianism and democracy dissent emigration the United States and Soviet Union and the great crisis of civilization fit coherently into his overall artistic project and offer valuable insights for contemporary global social humanitarian and ecological challenges This original book contributes to ongoing scholarly debates and offers the first full account of Mi osz as a political thinker Works, in an English Translation Anatole France,1921
