 delivers on its promise look no further In addition to print sources The New Walford naturally covers an extensive range of e
 reference sources such as digital databanks digital reference services electronic journal collections meta search engines
 networked information services open archives resource discovery services and websites of premier organizations in both the
 public and private sectors But rather than supplying a list of all available known resources as a web search engine might The
 New Walford subject specialists have carefully selected and evaluated available resources to provide a definitive list of the
 most appropriate and useful With an emphasis on quality and sustainability the subject specialists have been careful to
 assess the differing ways that information is framed and communicated in different subject areas As a result the resource
 evaluations in each subject area are prefaced by an introductory overview of the structure of the relevant literature This
 ensures that The New Walford is clear easy to use and intuitive Publisher **Science and Environmental Education**
