Chain In Chains A Novel

William Andrew Paton

Chain In Chains A Novel:

Chain in Chains Alex Flemming, 2005-07-22 *Chain in Chains* tells the intimate stories of interconnected relationships of a small collection of adults. The main characters Jeff and Maria are the central link in the chain. Yet this link intertwines with other links in various further chains. The story deals with the ecstatic enjoyment, sexual liberation, and positively stimulating experiences as well as the emotional pressures driven by personal demands and the requirements of society's values. In short, this is a story about sex and everything with which it is accompanied. As the first novel in a series, *Chain in Chains* releases a number of characters into the world who develop their relationships in various ways and grapple with the freedom to enjoy and the ambivalent requirements of everyday life. Not for the prude or fainthearted. For some, a shocking revelation for most, an about-time look at what happens especially in the evenings behind closed doors. Chains Laurie Halse
