

The background of the entire cover is a close-up photograph of two handprints pressed into dry, golden-brown sand. The handprints are positioned horizontally, one on the left and one on the right, with their fingers spread. The texture of the sand is visible, showing small grains and shadows within the ridges of the prints.

Changing Childhood In Saudi Arabia Three Female Generations:

Changing Childhood in Saudi Arabia Hind Khaled Khalifa, 2001 Childhoods at the Intersection of the Local and the Global R. Ame, 2012-10-23 Childhoods at the Intersection of the Local and the Global examines the imposition of the modern Western notion of childhood which is now deemed as universal on other cultures and explores how local communities react to these impositions in various ways such as manipulation outright rejection and acceptance The book discusses childhoods in different regions of the world and boasts a range of contributors from several academic disciplines such as Sociology Social Work Education Anthropology Criminology and Human Rights who are experts on the regions they discuss The book argues against the notion of a universal childhood and illustrates that different societies around the world have different notions of childhood This book is recommended reading for students scholars and practitioners working with children in the Global South as well as internationally **A Society of Young Women** Amelie Le Renard, 2014-06-25 The cities of Saudi Arabia are among the most gender segregated in the world In recent years the Saudi government has felt increasing international pressure to offer greater roles for women in society Implicit in these calls for reform however is an assumption that the only real society is male society Little consideration has been given to the rapidly evolving activities within women s spaces This book joins young urban women in their daily lives in the workplace on the female university campus at the mall to show how these women are transforming Saudi cities from within and creating their own urban professional consumerist lifestyles As young Saudi women are emerging as an increasingly visible social group they are shaping new social norms Their shared urban spaces offer women the opportunity to shed certain constraints and imagine themselves in new roles But to feel included in this peer group women must adhere to new constraints to be sophisticated fashionable feminine and modern The position of other women poor rural or non Saudi women is increasingly marginalized While young urban women may embody the image of a reformed Saudi nation the reform project ultimately remains incomplete drawing new hierarchies and lines of exclusion among women **Children's Services in the Developing World** Najat M'Jid, 2017-03-02 Children s services in The Developing World brings together evidence relating to the health and development of children in the global South It is essential reading for students scientists policy makers and practitioners in economically developing countries The book deals with the effects of catastrophe disease war and poverty on children s development There is strong coverage of the ways in which children cope with even the most inauspicious of circumstances Evidence is provided on the incidence of impairment to health and development As well as establishing the risks to child well being in the economic South the book shows how to intervene to address those risks Examples of good practice rigorously evaluated will be of interest to everyone seeking to improve the lives of children whether that be in economically developed or developing nations *Short Fiction by Saudi Arabian Women Writers*, 1999 This book displays selected works of the first generation of Saudi Arabian Women fiction writers **Arab Family Studies** Suad Joseph, 2018-07-10 Family remains the most powerful social idiom and one of the

most powerful social structures throughout the Arab world To engender love of nation among its citizens national movements portray the nation as a family To motivate loyalty political leaders frame themselves as fathers mothers brothers or sisters to their clients parties or the citizenry To stimulate production economic actors evoke the sense of duty and mutual commitment of family obligation To sanctify their edicts clerics wrap religion in the moralities of family and family in the moralities of religion Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other To call someone family is to offer them almost the highest possible intimacy loyalty rights reciprocities and dignity In recognizing the significance of the concept of family this state of the art literature review captures the major theories methods and case studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph s volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship
