Thoroughly revised and rewritten, this new second edition serves as a comprehensive first step for law enforcement departments seeking a police chaplain, as well as a useful resource for the experienced police chaplain. This text is a manual of procedures, concepts, guidelines, and forms that are presented in plain, clear language yet with substantial depth of knowledge. Major topics include how to get started as a Chaplain, how to relate to law enforcement department people, theological foundations, confidentiality, crisis intervention, and counseling, death notifications, disasters, domestic disputes, officer deaths and funerals, addicted officers, hostage negotiations, and victim assistance. In addition, the Appendices offer resources for services, the Chaplain's Code of Ethics, a model for starting a chaplaincy program, requirements to be a chaplain, the Chaplain's Oath, plus where and how to receive chaplain training. All of the above features serve to fulfill the central purpose of the book: to enable law enforcement administrators to establish a program for chaplaincy and for experienced chaplains to find new ideas to add to what they are doing. This book will also help parish clergy and leaders understand the role of law enforcement chaplaincy within a community. Publisher

Chaplaincy: A Ministry of Presence Matt Sanders, 2014-04-05 At the heart of the role of chaplaincy is PRESENCE. This manual, designed for new chaplains, explores four dimensions of presence: 1. As the chaplain is present to him/herself with compassion and awareness; 2. is present to The Presence with sensitivity and authenticity; he/she then 3. moves outward to others with simple, skillful means to help lighten their loads in life; and 4. helps others to connect more deeply to The Presence in ways that serve their highest good. This is part training manual, part memoir, part prayer book, and part self-care handbook. The author provides practical suggestions for pastoral support and prayer with others, offers bits of wisdom to apply in one's ministry, and uses stories from his pastoral work in detention and hospital ministries to provide concrete examples of ways to

apply these ideas Additionally this book is meant to help the chaplain nurture his her own soul through self care and prayer
