**The Tenth Supreme - The Return of the Lost** Saransh,2025-02-23 With the gods defeated and the cycle of fate broken Arjan and Kalki walk away from the world they fought to free But freedom comes with its own burdens without divine rule humanity struggles to define its own future Just as they begin to fade into history a forgotten civilization resurfaces one that predates even the gods Hidden beneath the ruins of the old world lies a truth never meant to be found the cycle was never truly broken It was never about the gods at all As they uncover the secrets of the ones who came before Arjan and Kalki realize they are not the first to defy fate The world has been reset before each time with new rulers new stories and new lies They are merely the latest in a long line of those who tried and failed to escape Faced with a force older than the gods themselves Arjan and Kalki must make an impossible choice not just to defeat an enemy but to unravel the very foundation of existence itself For the first time they are not fighting to win They are fighting to leave Because the true prison was never prophecy never gods never fate It was the belief that they were meant to stay And this time they will do what no one else before them has done They will walk away
