all 1969 through 1973 BMW R50 5 R60 5 and R75 5 motorcycles At the time of Floyd s unexpected demise in 1970 there
were a number of manuals that had been completed and were ready for publication This BMW motorcycle manual is one of
those previously unpublished Floyd Clymer publications Dated August 1969 this manual was obviously intended to be a
follow up from his previous 1967 BMW R50 R26 series manual The original 1969 proof copy that was included in the Floyd
Clymer archives was likely finalized in early 1970 However as the BMW 5 series of motorcycles remained in production
through 1973 we are pleased to present a newly prepared edition of Floyd s work as a service to all BMW motorcycle
enthusiasts worldwide Unfortunately owners of the 1969 1973 BMW 5 series models are subjected to considerable confusion
surrounding the appropriate selection of the multitude of originals and reprints of the various manuals that have recently
flooded the marketplace We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile
as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really
have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and
printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even
refurbished In addition they are often advertised for the incorrect series and or model years **BMW K100 & 75 Owners
