Her Unbridled Desire: Taken by Centaurs (Fantasy Monster Erotica) Danica Slate, 2013-11-17 For as long as she's lived Arysta has loved horses So entranced is she by their majestic beauty and strength that she really has no time at all for men not that their boorish predictable ways offer her any pleasure regardless But one fateful day while on a ride through the deepest woods Arysta happens across an awesome sight a group of Centaurs straight out of legend Arysta is enchanted by their power and equine forms And for the first time she feels something welling up deep within her a strange tumultuous lust that makes her suddenly bold with desire She may have never touched a man before but these are much more than men And she's not about to take no for an answer Excerpt Wait She ran to block Mino's path and before he could say anything she did the only thing she could think of doing she pulled down his face and kissed him It was only meant to be a distraction a way to buy time while she thought of a good idea to prevent the centaurs from leaving her behind but the moment her lips met Mino's she could not seem to think her mind seemingly trapped in a haze Not only that the sensation she had felt earlier had returned her heart pounding once more She had never kissed a man before and now she suddenly understood why her sisters longed for it so much Sure it felt a little strange but she could not help but want more and more of it More She parted her lips feeling that it was the right thing to do and the moment her tongue met Mino's she could not help but shiver His tongue felt so warm so soft so slippery against her own and it tasted unlike anything she had ever tasted before Gently she prodded it while she moved one of her hands down to slither and slide across Mino's chest her fingers brushing against one of his nipples At that point he let out a groan and for a moment she was afraid he would toss her aside and leave her behind for good but then she felt his hands in her hair and his tongue come to life mingling with her own and she could not help but feel a surge of triumph One of his hands closed around locks of her hair pulling on them hard enough to cause pain Strangely though it did not bother her instead adding to the excitement simmering inside her The other moved down past her shoulders to where her cloak was fastened tugging on the knot until it came loose the cold air on her skin making her suck in a breath He broke the kiss and pushed her against a tree trunk his eyes darkened with lust as they stole across her tiny form Mino Tarim spoke approaching them Are you sure about this She asked for it Mino reminded his gaze still on her Perhaps this will teach her what it means to bargain with centaurs

Promised to the Centaur Tribe (Monster Fantasy Erotica) , Warrior woman Reyna is furious when she allows herself to be captured by the tribe of Centaurs who guard the dark corners of the mystical forest But when she learns that these strange inhuman beasts have something she greatly desires Reyna quickly turns the tables by offering up her own bargaining chip her young nubile body for all the tribe to mate with As the centaurs descend hungrily upon her will young Reyna fall victim to the dark animalistic passion that threatens to drive her wild with desire Excerpt Their leader raised his right hand and revealed what I d been after My sword I gasped relieved Indeed Reyna We will allow you to return to your lands with your

weapon no less but only after you have given us an equivalent exchange Maybe I could just slay them and be done with it I considered Are you foolish enough to engage us all Damnit his mind reading was such a nuisance And what would be of equal value The leader approached me his hooves sounding like tree trunks banging against the earth Your body I narrowed my eyes on him We centaurs are neither complete human nor beast and as such it is rare we come across humans we are capable of mating with You seem strong though Reyna Very strong indeed We d like to test just how durable you are I stood slowly and put away my blades I looked at them all taking in their huge forms They were all strong all strangely attractive in their own alien way I had never been with such a creature A distant unexpected stirring of desire nettled at my insides I saw the leader s mouth twitch in a smile and knew he must ve read my mind Taken by the Centaurs Anna Summers, My first time with Jamie was a complete disaster and I just ached to get off Who knew that those creatures from the fairytales were real and that they were just as eager as I was Contains explicit scenes only for adults Disclaimer This is a work of fiction Any resemblance of characters to actual persons living or dead is purely coincidental All characters are 18 years or older

Enchanted: Seducing the Centaur Tribe (Monster Erotica) Danica Slate, 2013-11-17 Reilana is a mighty Enchantress one of the chosen Elvish mystics who havest sexual energy and channel it into dark and powerful magicks that bewitch the mind and beguile the body But when the evil warlord Caltax sends a force of savage Centaur Warriors against her the elf maiden finds her magicks have little power against the inhuman creatures But Reilana is not one to give up so easily and the Centaurs have something she greatly desires an animalistic almost primal sexual force Soon she has turned the tables on her Centaur captives as they become entranced not by her spells but by her very flesh itself Excerpt Reilana shuddered as she pushed herself up onto her hands and knees She trembled more in embarrassment than in fear she had been in worse situations before and escaped unscathed but she hated the indignity of being forced to submit in front of her people She would not take it lightly No she would find a way to bend these creatures to her will As she moved she felt a familiar tingle along her spine an increase in arousal that began at her core and spread gently like the warmth of a candle s flame The magic was still flowing within her seeking release as it always did But she had been trapped unable to expend the energy that now coursed through her veins Her heart pounded She could feel her dress had ridden up when she fell and could now almost feel the burning gaze of the centaurs as they looked at her creamy thighs and heart shaped ass Reilana shivered again but this time it was desire rather than revulsion She felt her skin turning red She stayed there for a moment her ass swaying gently side to side as she concocted a plan The beasts were eying her with a mixture of curiosity and undisguised interest They were powerful towering creatures their human halves deeply tanned and rippling with muscle as they shifted from leg to leg She stood slowly keeping her back to the centaurs as she brushed hay from herself making sure to pay special attention to her nipples so that they stood erect under the thin dress She adjusted the fabric so that the valley of ivory flesh between her breasts was plainly visible and then turned to face them once again her gaze no longer defiant but now darkly

playful She could see the lust in their gazes the very human desire for a man to want a woman such as her mingling with the bestial desire to rut She affected her best pout her blue eyes shimmering I ve never slept in a stable before Surely you can spare one of your men to help me build a suitable bed from this straw
