Earth and within the Cosmic Firmament Vincent L. Di Paolo, 2025-07-09 Searching for myself during my life has been a series of great adventures which are forever imprinted on the walls of the canyons of my memory I did have some very bad experiences that brought me to the very threshold of death several times For some cosmic reason I escaped death on four occasions during my life and I recuperated my strength and my craving for adventure after each near death experience I guess that those four near death experiences were meant to remind me that I am human and vulnerable and that I should never take my life for granted Even though I did lose some physical strength on each occasion my body and mind grew stronger and stronger and now that I am in the winter of my life I m alive and I thank each day that is given to me as my mind gets closer and closer to finding that elusive me in this only life as me As I now understand the importance and sanctity of life and my love for wonderful people beautiful animals and plants I realize that the meaning of my very existence is to protect them while we live in this beautiful and wonderful planet Finally it took a lifetime for me to find God and I have accepted that after life on earth I will be once again part of the Cosmos which it will always belong to the Creator The Man Who Saved the United States Robert Lee Scarborough, 2008-03 Dr Michael Jeremiah and his family are professing Christians fulfilling their life dreams As good Bible students they know that Some 2000 years ago Jesus Christ was crucified

buried and on the third day rose from the dead He died with a mortal body and was resurrected with an immortal body Over 500 persons witnessed Him in His resurrected form After 40 days He gathered His Apostles and gave orders for their mission on the earth After He had spoken He was lifted up as the Apostles watched a cloud received Him out of their sight as he ascended into Heaven Two angels standing beside the Apostles said This Jesus who has been taken up from you into Heaven will come in just the same way as you have watched Him go into Heaven Other scriptures tell us that some day He will return to the earth But sometime prior to this Christ will descend from Heaven with a shout and the trumpet of God to call all true Christians to be caught up in the clouds to meet Him in the air and be taken to Heaven At the moment of this event often called the Rapture Michael and his family look forward to being changed from mortal to immortal bodies and to dwell with God in Heaven forever THEIR LIVES ARE DISRUPTED by 9 11 and the War on Terror Michael Jeremiah the Supreme Council and his family are thrust into positions of power in order to save the teetering United States from economic social and moral collapse Michael relies on his family ties placing many of them in key leadership positions Dr Tandatina Allio Michael s wife a world renown brain surgeon is his second in command His father Vice Admiral John is Director of NSA his grandfather Admiral Peter is Director of Intelligence his brother Thomas is Secretary General of the UN and his sister Rebecca is Director of the Red Cross All the while Michael Jeremiah and his family move through life with the understanding that the Rapture is near But we are getting ahead of ourselves Let s go back to the beginning of this story AMERICA IS IN CRISIS This was the newspaper headline America in Crisis Polls show Americans are fearful of both the present and the future There seems to be no hope Americans want demand that they be rescued that our nation s many problems be solved Rescued from what Solve what problems A respected panel published a white paper on the subject They reported It is near the end of the George W Bush administration The country is being torn apart over the wars in Iraq and Afghanistan At least at times it appears to be President Bush s private war He never asked Congress for a Declaration of War nor asked the Nation to be directly involved as it was during World War II Our military s hands tied by politics The Nation is in chaos with almost everyone demanding their rights their freedom to do whatever they wish Terrorists have attacked again in four cities more than 30 000 killed Vicious gangs and drug pushers demand their rights our police are handcuffed Purveyors of filth shout freedom of speech pornography is called art Christians and Jews are muzzled Our founding fathers knew that everything has limits and boundaries The Judeo Christian ethic provided the moral foundation to go with our rights and freedoms and moral boundaries were set But now these moral boundaries are absent and freedoms are turning to license edging closer and closer to anarchy Our people do not feel safe sending their children to school leaving their homes Fear is everywhere faith in government is near zero The People pray for a man a superman a bold knight to rescue them and the nation MICHAEL JEREMIAH and the Supreme Council OFFER HOPE During times of crisis l *At a Moment s Notice* Barry Blackstone,2023-02-10 *At a Moment s Notice* is the very first writing project the author ever attempted in 1988 After thirty

five years the author took a second look at the series of devotionals and decided they needed to be made into a book At a Moment's Notice contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader's heart at a moment's notice
