The Americans McDougal-Littell Publishing Staff,2002-03-04 Call to Freedom Holt Rinehart & Winston,Holt, Rinehart and Winston Staff,2002-02 *One Flag, One Land: Teacher planning guide* Richard Carl Brown,1988 A textbook chronicling the birth and growth of the United States through the 1980 s *Faith and the Presidency From George Washington to George W. Bush* Gary Scott Smith,2006-10-12 In the wake of the 2004 election pundits were shocked at exit polling that showed that 22% of voters thought moral values was the most important issue at stake People on both sides of the political divide believed this was the key to victory for George W Bush who professes a deep and abiding faith in God While some fervent Bush supporters see him as a man chosen by God for the White House opponents see his overt commitment to Christianity as a dangerous and unprecedented bridging of the gap between church and state In fact Gary Scott Smith shows none of this is new Religion has been a major part of the presidency since George Washington s first inaugural address Despite the mounting interest in the role of religion in American public life we actually know remarkably little about the faith of our presidents Was Thomas Jefferson an atheist as his political opponents charged What role did Lincoln s religious views play in his handling of slavery and the Civil War How did born again Southern Baptist Jimmy Carter lose the support of many evangelicals Was George W Bush as his critics often claimed a captive of the religious right In this fascinating book Smith answers these questions and many more He takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was particularly important *Faith and the Presidency* meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history **Call to Freedom** Holt Rinehart & Winston,2005 **EPIE Materials Report** ,1978 EPIE Materials Report EPIE Institute,1978
