## **Chabner The Language Of Medicine Final:**

**The Language of Medicine - E-Book** Davi-Allen Chabner, 2013-02-15 Bring medical terminology to life with Davi Allen Chabner's bestselling *The Language of Medicine* 10th Edition. By presenting medical terms within the context of the body's anatomy and physiology and in health and disease, this proven resource makes it easy to learn a working medical vocabulary built on the most frequently encountered prefixes, suffixes, and combining forms. Practical exercises and case studies demonstrate how medical terms are used in practice. Add an engaging student Evolve website with medical animations and videos, word games, flash cards, and more, and you'll be ready to communicate confidently in the clinical setting and succeed in your healthcare career. Simple, clear, non-technical explanations demystify medical terminology, even if you have little or no background in medicine or science. Practical applications such as case reports, operative and diagnostic tests, and laboratory and x-ray reports demonstrate the use of medical terminology in practice. Self-study text/workbook approach reinforces learning every step of the way with labeling diagrams, pronunciation tests, and review sheets. Full-color illustrations depict anatomy, physiology, and pathology, putting medical terms in the context of the body's structure and function. Comprehensive glossaries and appendices serve as quick references for use in the classroom and on the job. Medical report exercises in each chapter utilize chart notes, histories, and reports to give you practice working with realistic documents. Additional pathology photos clarify terminology and help you identify medical conditions you may encounter in practice. Updated content reflects the latest advances in digestive system, operative procedures, the human genome project, normal values for tests, practical applications, and muscle function. The companion CD tests your ability to identify terms by their pronunciation and provides a fun, engaging way to review terms through games, study tips, photographs, video clips, and animations. A companion Evolve website enables you to assess your understanding with quizzes for each chapter that provide immediate feedback to help you identify specific areas for review.
