Another Very Silly Coffee Table Book Barry Pitt, 2010 ONLY ONE J. G. Nursall, 2013-12-17 Several of the stories included in this volume have been previously published but are collected here for the first time The story Only One was originally published in the United States Golf Association's Golf Journal and was later republished in Chicken Soup for the Golfer's Soul It has since been republished many times and in many different languages around the world Once it was used as the basis for a religious sermon by an internet minister though Nursall disclaims any allegorical intent in writing it It is in fact a story about his mother Norma Halstead Nursall and the day she scored a hole in one It is a true story states the author Other of his stories have been published in the Golf Journal including The Secret and Reunion originally titled Turn Away Angel's Flight and The Finest Gift have also appeared in the Chicken Soup series of books The stories Postmortem and One Foot in the Bucket were contest winning stories that signaled Nursall's effort to branch away from golf stories As were his stories The Haggis My Sister's Can o' Corn Merton Speaks The Offer Sarafina's Song The Visit A Kindly Fist Hurrying Home and Fingers and Toes The story Against An Azure Sky was based on the particular facts of a lawsuit filed in Los Angeles County of which the author disclaims any personal knowledge **Night Smoke** Nora Roberts, 2020-06-02 The heat rises between a man and a woman who know all too well the dangers of playing with fire in Night Smoke a thrilling romantic Night Tales novel from 1 New York Times bestselling author Nora Roberts Someone has a vendetta against Fletcher Industries Someone unafraid of torching a warehouse to ashes Arson investigator Ryan Piasecki doesn't know if he's dealing with a pyromaniac or a calculating criminal targeting corporate executive Natalie Fletcher Impatient to get back to business Natalie finds herself at odds with Ryan's uncompromising authority But their impassioned disagreements only fans the flames of their desires for one another *Bulletin of the Associated Pennsylvania Highway Contractors*, 1923 **Just A Little Watermelon Talk** Robert A. Morton Sr., 2022-08-05 As a member of America's Greatest Generation Bob Morton saw the world at its worst before he began his education at the University of Oklahoma to fulfill his dream of becoming a geologist Just A Little Watermelon Talk is an amazing recollection of that quest Although it is not a technical book Just A Little Watermelon Talk presents an up close view of rural Oklahoma during the early 1950s through the 1980s and the difficulties of getting drilling rigs and people on location Today as technology and infrastructure has expanded it is fascinating to learn how geology was viewed and assessments of drilling happened before smart phones and immediate information This is the story of sleeping in the car at the well site waiting for the drilling rig to reach the next zone the samples to be pulled for the geologist to test and of family times missed being stuck on location without even a phone line available It is the story of exhilaration from a successful well completion to the despair of declaring a aEURoedry hole aEUR and walking away This book depicts a great view of the many characters and personalities that made the Oklahoma oil field the basis for many movies and television shows These are the people that make the statement of aEURoetruth being stranger than fiction aEUR

a reality The reason for the name of the book will surprise you and make you smile Regardless of your interest in the oil field whether it is current or past involvement a curiosity of how it all works or if you are an Oklahoma history buff Just A Little Watermelon Talk is a great read This truly is a rare look at the inside of a great Oklahoma culture *Catalog of Copyright Entries* Library of Congress. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Chalk Up Another One : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
