Chantier interdit au public ! Patricia Holl, 2002 *Chantier interdit au public* Nicolas Jounin, 2008 L auteur qui s est immergé durant une année dans le monde du bâtiment parisien en tant qu ouvrier retrace l itinéraire de son enquête Il expose le quotidien des ouvriers les conditions d emploi et de travail liées au recours croissant à la sous traitance et l intimidation et branle au passage certaines idées reçues *Chantier interdit au public*, 1959 **Chantier interdit au public**, 2016-01-20 La collection Sociorama signe la rencontre entre bande dessinée et sociologie D un côté des sociologues amateurs de BD qui ont créé l association Socio en cas de l autre des auteurs de BD curieux de sociologie Ensemble ils ont initié une démarche originale ni adaptation littéraire ni illustration anecdotique mais des fictions ancrées dans les réalités du terrain Toute ressemblance n est pas pure coïncidence Que se passe t il derrière les palissades d un chantier de construction Avec Hassane ferrailleur novice et maladroit et Soleymane coffreur expérimenté sans papiers d couvrez les coulisses du bâtiment Ou comment faire son trou dans l intimidation et la sous traitance quand on est sans papiers encaisser les plaisanteries racistes tenir les cadences tout en faisant semblant de respecter la sécurité Une BD sans garde fou **Peter Gnass** Pierre Restany, 1980 [The Hidden History of Crime, Corruption, and States](#) Renate Bridenthal, 2017-06 Renowned historical sociologist Charles Tilly wrote many years ago that banditry piracy gangland rivalry policing and war making all belong on the same continuum This volume pursues the idea by revealing how lawbreakers and lawmakers have related to one another on the shadowy terrains of power over wide stretches of time and space Illicit activities and forces have been more important in state building and state maintenance than conventional histories have acknowledged Covering vast chronological and global terrain this book traces the contested and often overlapping boundaries between these practices in such very different polities as the pre modern city states of Europe the modern nation states of France and Japan the imperial power of Britain in India and North America Africa s and Southeast Asia s postcolonial states and the emerging postmodern regional entity of the Mediterranean Sea Indeed the contemporary explosion of transnational crime raises the question of whether or not the relationship of illicit to licit practices may be mutating once more leading to new political forms beyond the nation state *Chantier interdit au public*, 1995
