## Chaos Of The Senses:

Chaos of the Senses Ahlam Mosteghanemi, 2007 Ahlam Mosteghanemi's second novel picks up where *Memory in the Flesh* left off with the story of love set in the battered and bruised Algeria of the 1990s. Mosteghanemi takes her readers through the streets of suspicion and suspense and the ups and downs of a forbidden love affair through a story within a story as a writer stuck in a loveless marriage to an important military man inadvertently writes what eventually comes true. She begins after a period of not writing by penning the narrative of a mysterious man who courts the object of his desire through deceptive words, then she helplessly follows the path of her fictitious character only to find that the mystery man exists and it is he who has led her to his door and into his life. One twist leads to the next as the question remains of which man the writer was destined to meet and fall in love with: the mysterious artist or the doomed journalist. This lyrical adventure teases the reader with facts for fiction and fiction for facts. The backdrop of political chaos creates a sense of foreboding and fear for two powerless lovers. But where is reality and where is fantasy?

**Chaos of the Senses** Ahlem Mosteghanemi, 2015-01-15  
Love always sits in a seat other than the one we were expecting it to right alongside the place where we expected love to be. In the midst of the Algerian civil war, Hayat is a young novelist trapped in a loveless marriage. While her husband, a high-ranking officer, preoccupies himself with politics, Hayat finds freedom from her highly regimented life in the world of her writing. There she weaves a passionate story for her characters. But the line between fiction and reality blurs when she falls for a man who seems to have walked straight out of the pages of her notebook, a man who seduces her instead of her heroine with his silence. As love on paper becomes a forbidden love lived out in the dark corners of a broken city, Hayat's country convulses with political upheaval. In a place where those who dare to write the truth are made to pay a heavy price, she and her characters will discover that no one can truly be the author of their own destiny. The second novel in the international bestselling trilogy from the literary phenomenon Elle Ahlem Mosteghanemi, *Chaos of the Senses* is a powerful story of love, identity, and liberation.
