Goods, Services, and Operations Management: Chapter Overview

I want to be a director of a museum like this one day," Carol said to her mom as they walked through Chicago Museum of Science and Industry. Carol's family had just finished a tour of the 1944 German submarine known as the U-505 that was captured during World War II. They had spent the day learning about coal mines, the science of the human body, Dr. Seuss, and much more. As they walked past the museum offices, Carol noticed a directory of eight departments:
