| <p>"With the end of uncertainty there came the uncertainty of the end." – p. 70</p> | <p>People in the concentration camps began realizing the situation they were in. The situation dawned on them, and the sense of uncertainty was lifted. However, now that they knew their situation, there came a sense of uncertainty as to how long they could truly last. Ignorance is bliss.</p> |
| <p>"A man who could not see the end of his 'provisional existence' was not able to aim at an ultimate goal in life." – p. 70</p> | <p>The prisoners in the concentration camps couldn't find meaning. What Frankl is saying in this quote is that, in order to find meaning and purpose in a hopeless situation is to look past what you're enduring now. By looking past what is temporary (the present), we can prepare for a brighter future.</p> |
| <p>"Such people forgot that often it is just such an exceptionally difficult external situation which gives man the opportunity to grow spiritually beyond himself." – p. 72</p> | <p>This quote is basically a wordy way of saying "that which doesn't kill us only makes us stronger." By accepting our suffering as a part of life, we can learn and grow from the situation.</p> |
| <p>"One could make a victory of those experiences, turning life into an inner triumph, or one could ignore the challenge and simply vegetate, as did a majority of the prisoners." – p. 72</p> | <p>In order to succeed at life, you have to be willing to accept the fact that nothing will be easy. You're going to face challenges every single day. How you react to those challenges, whether you take them head on or avoid them completely makes you who you are.</p> |
| <p>"Emotion, which is suffering, ceases to be suffering as soon as we form a clear and precise picture of it." – p. 74</p> | <p>I thought this quote was very interesting. I'm not entirely sure what it means, but it just caught my attention, so I'm going to try and decipher it's meaning. I think what Frankl is trying to say is that we can't end suffering unless we truly understand what we're suffering from. It's almost the same concept as the Jesus Prayer in Franny & Zooey. At some point, Zooey tells Franny that you can't follow a Jesus that you don't truly understand. Same goes with suffering. In order to overcome suffering, you have to figure out what exactly you're suffering from. Only then can you take action.</p> |
