

Back-to-Back Drawing Communication Activity

This activity is designed to challenge participants to communicate effectively and creatively. The goal of this exercise is to improve communication skills while having fun.

Exercise Instructions

Allow 10-15 minutes for this stage of the activity....

1

Divide the group into pairs and have them sit facing away from each other.

2

Provide one member of the pair (the "listener") with a blank piece of paper and a pencil, and the other member (the "speaker") with an image from pages 2-5

3

The speaker should verbally describe the image as accurately as possible, while the listener tries to draw the image on their blank paper, without any communication between the two.

4

After the exercise, both the speaker and the listener answer their respective discussion questions on page 6.

5

Speaker and listener share and discuss their responses. Together, explore takeaways from the experience.
