Community Educator Job Description:

Career Pathways in Adult Education Catherine H. Monaghan, E. Paulette Isaac-Savage, Paul G. Putman, 2023-12-14
Career Pathways in Adult Education showcases the wide ranging possibilities for a satisfying career in the field of adult education. Along with practical advice for launching and advancing a career in adult education, this book includes personal stories and insights from adult education professionals which focus on the research, practices, programs, and services within multiple industries. Divided into two parts, the book begins by examining transferable skills that adult educators need to be successful in any adult education career. Chapters in the second part focus on specific career opportunities for those with adult education backgrounds, including discussions around career lifecycle from entry to advancement, career development, and future trends. Written by active practitioners in adult education, chapters are designed to be practical, informative, and thought provoking regarding career entry, progression, development, and advancement. A truly one of a kind text, *Career Pathways in Adult Education* is the ideal companion for students and professionals looking to transition into adult education, as well as graduate program administrators who wish to share the importance of their programs. *Training the Community Educator* Robert I. Foundation Concepts of Global Community Health Promotion and Education Barbara Hernandez, 2011-08-24
Foundation Concepts of Global Community Health Promotion and Education examines the underlying concepts appropriate in any global community health promotion and education course. It investigates the history, terminology, philosophy, theory, ethics, programs, resources, and settings for the practice of community health education and promotion. The roles and responsibilities of health promotion practitioners are also explored in detail, as are the many employment opportunities for health education and health promotion professionals. **Clearinghouse Review**, 1995 **Community Health Education** Donald J. Breckon, John R. Harvey (M.P.H.), R. Brick Lancaster, 1998 An ideal text for students preparing for careers as community health educators. In this edition, students can learn how to prepare for certification, get an overview of the practice of community health education, learn about the most common settings of practice today, the differences of these settings and their options for employment. In addition, they will explore the fundamental goals of Healthy People 2000 and Health Communities 2000, which all agencies are adopting. Filled with checklists and guidelines, useful addresses, in-basket assignments that reinforce learning, credentialing competencies, codes of ethics, and much more. **Planning and Assessment in Community Education** Harold J.
