Revised Policy Guidelines for setting up Community Radio Stations in India

Foreword

- (a) In December 2002, the Government of India approved a policy for the grant of licenses for setting up of Community Radio Stations to well established educational institutions including IITs/IIMs.
- (b) The matter was reconsidered in the year 2006 and the Government decided to broad base the policy by bringing 'Non-profit' organisations like civil society organisations and voluntary organisations etc, under its ambit in order to allow greater participation by the civil society on issues relating to development & social change. The revised Policy Guidelines were issued in the year 2006. The Policy Guidelines issued in the year 2006, were subsequently amended in the year 2017, 2018 and 2022.
- (c) To ensure financial sustainability of Community Radio Stations and to ensure growth of the Community Radio Sector, the Government has carried out further amendments in the Policy Guidelines. Now, the Revised Policy Guidelines are as under :-

1. Basic Principles

An organisation desirous of operating a Community Radio Station (CRS) must be able to satisfy and adhere to the following principles:

- a) It should be explicitly a 'not-for-profit' organisation and should have a proven record of at least three years of service to the local community;
- b) The CRS, to be operated by it, should be designed to serve the local community in its coverage area;
- c) It should have an ownership and management structure that is reflective of the community that the CRS seeks to serve;
- d) It must be a Legal Entity i.e. it should be registered under any such act relevant to the purpose and the registration, at the time of application, should be at least three years old;
