## Company Branding Guidelines:

*Branding Shmanding* Phil Bedford,2021-04-29 I don t claim to be a branding expert I don t build brands for a living and I haven t spent years learning about logo design and color psychology However I do know a great deal about business development From my experiences with various growing companies I ve discovered that many small business owners struggle to grasp the full value of branding They hear about the concept and assume they need a name and logo for their business but they don t see what branding is truly about Even if you know what a brand is you may not know how to separate your personal brand from your business identity or what the difference is between the two Branding Shmanding offers a way to demystify branding once and for all so you can leverage the true benefits of the brand for your future **Advanced**
