Globalization and American Popular Culture Lane Crothers,2010 A third edition of this book is now available Now in a fully revised and updated edition this concise and insightful book explores the ways American popular products such as movies music television programs fast food sports and even clothing styles have molded and continue to influence modern globalization Lane Crothers offers a thoughtful examination of both the appeal of American products worldwide and the fear and rejection they induce in many people and nations around the world Concluding with a projection of the future impact of American popular culture this book makes a powerful argument for its central role in shaping global politics and economic development

The Struggle for Development and Democracy Alessandro Olsaretti,2021-12-13 In The Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins

to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory
