Differentiation That Really Works Cheryll M. Adams, Rebecca L. Pierce, 2021-09-03 Differentiating requires more than just a simple bag of tricks Teachers need to have concrete strategies if they want to provide choice and challenge for all learners in their classroom The strategies included in this book were chosen based on their ease of implementation and modification In addition they all encourage student engagement provide inherent opportunities for differentiation and are appropriate for multiple grade levels Differentiation That Really Works provides time saving strategies and lesson ideas created and field tested by practicing professionals in their own heterogeneous classrooms These lessons can be used as written or can be modified to meet the needs of a particular classroom The book also provides templates that can be used to develop new lessons using each strategy These strategies including exit cards choice boards cubing graphic organizers learning contracts and tiered lessons help pave the way to a differentiated classroom that meets all students needs Grades K

2 **The School Story** David Aitchison, 2022-02-04 The School Story Young Adult Narratives in the Age of Neoliberalism examines the work of contemporary writers filmmakers and critics who reflecting on the realm of school experience help to shape dominant ideas of school The creations discussed are mostly stories for children and young adults David Aitchison looks at serious novels for teens including Laurie Halse Anderson's Speak and Faiza Gu ne's Kiffe Kiffe Tomorrow the light hearted middle grade fiction of Andrew Clements and Tommy Greenwald and Malala Yousafzai's autobiography for young readers I Am Malala He also responds to stories that take young people as their primary subjects in such novels as Sapphire's Push and films including Battle Royale and Cooties Though ranging widely in their accounts of young life such stories betray a mounting sense of crisis in education around the world especially in terms of equity the extent to which students from diverse backgrounds have fair chances of receiving quality education and empowerment the extent to which diverse students are encouraged to gain strength confidence and selfhood as learners Drawing particular attention to the influence of neoliberal initiatives on school experience this book considers what it means when learning and success are measured more and more by entrepreneurship competitive individualism and marketplace gains Attentive to the ways in which power structures institutional routines school spaces and social relations operate in the contemporary school story The School Story offers provocative insights into a genre that speaks profoundly to the increasingly precarious position of education in the twenty first century
