To Whom It May Concern:

I've known Fred Frank for several years. He has been a close friend of my son's since they were in elementary school and I've watched him grow up into the friendly, confident young man he is today.

While he was in high school, Fred helped me coach a community soccer team of nine- and 10-year-old boys. A skilled player himself, Fred was an enthusiastic leader who always maintained his professionalism. With patience and an ability to explain and demonstrate strategy clearly, he drew out the very best from these boys, who, in turn, looked up to him.

I know Fred to be dependable, responsible, honest and courteous. He is a popular server in the restaurant where he currently works. While dining there, I've more than once overheard customers asking to be seated in his section.

I know Fred to be dependable, responsible, honest and courteous. He is a popular server in the restaurant where he currently works. While dining there, I've more than once overheard customers asking to be seated in his section.

Fred will be an asset to any organization. I can confidently recommend him for any position or undertaking that he chooses to pursue.

Please do not hesitate to call me if you would like to discuss this recommendation further.

Sincerely,

John C. Doe

Champions Way Mike McIntire,2017-09-05 A searing expos of how the multibillion dollar college sports empire fails universities students and athletes With little public debate or introspection our institutions of higher learning have become hostages to the rapacious smash mouth entertainment conglomerate known quaintly as intercollegiate athletics In **Champions Way** New York Times investigative reporter Mike McIntire chronicles the rise of this growing scandal through the experience of the Florida State Seminoles one of the most successful teams in NCAA history A finalist for the Pulitzer Prize for his Times investigation of college sports McIntire breaks new ground here uncovering the workings of a system that enables athletes to violate academic standards and avoid criminal prosecution for actions ranging from shoplifting to drunk driving At the heart of **Champions Way** is the untold story of a whistle blower Christie Suggs and her wrenching struggle to hold a corrupt system to account Together with shocking new details about prominent sports figures including NFL quarterback Jameis Winston and former FSU coach Bobby Bowden **Champions Way** shines a light on the ethical moral and legal compromises inherent in the making of a championship sports program Beyond the story of Florida State McIntire takes readers on a journey through the history of college football from its origins as a roughneck pastime coached by nineteenth century professors to its current incarnation as a gold plated behemoth that long ago outgrew its scholastic environs Illuminated in rich and disturbing detail is the hidden financial ecosystem that nourishes hundred million dollar teams from the hustlers who recruit players for schools and the athletic departments controlled by rich boosters to the universities whose academic mission and moral authority have been undermined More than pointing out flaws McIntire examines their causes and offers hope to those who would reform college sports
