

5. While it has been claimed that the College Board was in frequent dialogue with Florida about the content of AP African American Studies, this is a false and politically motivated charge. Our exchanges with them are actually transactional emails about the filing of paperwork to request a pilot course code and our response to their request that the College Board explain why we believe the course is not in violation of Florida laws.

We had no negotiations about the content of this course with Florida or any other state, nor did we receive any requests, suggestions, or feedback.

We were naive not to announce Florida's rejection of the course when FDOE first notified us on September 23, 2022, in a letter entitled "CB Letter AP African [sic] Studies." This letter, like all written communications we received from Florida, contained no explanation of the rejection. Instead, Florida invited us to call them if we had any questions.
