## Charlie and the Chocolate Factory

A Culture of Life Studies book discussion guide.

### ABOUT THE AUTHOR

Welsh author, Roald Dahl, wrote many wacky, yet endearing, books for children, the most well known being *Charlie and the Chocolate Factory*. After spending time as a fighter pilot in World War II, Dahl left Britain to work in the British Embassy in United States. He published a few short stories and books for adults, but his first real success came with *James and the Giant Peach* and *Charlie and the Chocolate Factory*, both of which became bestsellers and children's classics. Dahl has authored dozens of novels and picture books for children and is considered one of the most celebrated children's book authors.

### STORY SUMMARY

Charlie Bucket lives with his father, mother, and four bedridden grandparents in the same city as Willie Wonka's magnificent chocolate factory. The family is so poor that they eat mostly cabbage. Charlie only gets one chocolate bar a year—for his birthday. This is a hard thing to endure, given their close proximity to the factory. When Mr. Wonka announces that he has hidden five golden tickets for five lucky children to tour his factory, Charlie can hardly believe it and longs to be one of the five.

By the time Charlie's birthday arrives, he still holds onto the hope of finding a golden ticket, but his bar has only chocolate inside. Charlie and his Grandpa Joe try again, only to be disappointed a second time. By this time, four of the five tickets have been found. The Bucket family, however, has a lot more to worry about than chocolate bars and Golden Tickets. Mr. Bucket loses his job at the toothpaste factory and the family struggles to get enough food to eat. When Charlie finds some money in the street, he buys a chocolate bar to satisfy his hunger. To his surprise, he finds the last golden ticket.

The five children excitedly tour the factory, but, one by one, they drop from the tour because their vices lead to troublesome behaviors. At the end of the tour, Charlie is the only child left. Mr. Wonka, who had been searching for a child like Charlie all along, congratulates him and invites him and his family to come and live at the chocolate factory.
