Charlie St Cloud A Novel:

Charlie St. Cloud Ben Sherwood, 2010-06-22 The powerful bond between two brothers one alive and the other killed in a terrible accident unexpectedly transcends the barriers of life and death and it is up to one enchanting woman to make their world right

The Death and Life of Charlie St. Cloud Ben Sherwood, 2005-03-01 The Death and Life of Charlie St Cloud tells the haunting story of a young man who narrowly survives a terrible car wreck that kills his little brother Years later the brothers bond remains so strong that it transcends the normal boundaries separating life and death Charlie St Cloud lives in a snug New England fishing village By day he tends the lawns and monuments of the ancient cemetery where his younger brother Sam is buried Graced with an extraordinary gift after surviving the accident he can still see talk and even play catch with Sam s spirit But townsfolk whisper that Charlie has never recovered from his loss Into his carefully ordered life comes Tess Carroll a captivating adventuresome woman training for a solo sailing trip around the globe Fate steers her boat into a treacherous storm that blows her back to harbor to a charged encounter with Charlie and to a surprise more overwhelming than the violent sea itself Charlie and Tess discover a beautiful and uncommon connection that leads to a race against time and a desperate choice between death and life between the past and the future between holding on and letting go Luminous soulful and filled with unforgettable characters The Death and Life of Charlie St Cloud is one of those rare wise books that reveal the mysteries of the unseen world around us gently transforming the worst pain of loss into hope healing and even laughter Suspenseful and deeply moving its startling climax reminds us that sometimes tragedies can bring about miracles if we simply open our hearts

The Death and Life of Charlie St. Cloud Ben Sherwood, 2005 *Charlie St. Cloud* , 2010 Teen heartthrob Zac Efron High School Musical 17 Again makes an appealing and wise choice as the star of Charlie St Cloud Efron is able to flex his dramatic acting abilities and can stretch ever so slightly into a more adult role without alienating or being off putting to his dedicated young fans And Efron shows signs of being a terrific young actor with nuanced skills that have perhaps been overlooked until now because of his appealing pinup boy looks Efron is delicious eye candy in Charlie St Cloud no question though he has to share some of that role with the beautiful British Columbia coastline where the film is set but he also carries the entire film which manages to be family drama tragedy adventure and budding love story with a good dose of live your life to the fullest advice built in Efron plays the title character a gifted student and sailor who gets a full scholarship to Stanford But right after graduation Charlie is involved in a life changing tragedy one that shatters his family and his own sense of his place in the world Efron s Charlie is a lost young man dedicated to the aftereffects of the tragic accident and turns from promising young upstart to pitiable recluse so reclusive that he lives and works at the local graveyard The entire cast is wonderful and they put their hearts into the sad yet ultimately uplifting story Young Charlie Tahan is winsome as Charlie s younger brother Sam Kim Basinger too long away from the big screen is grounded and believable as the boys hard working single mom Ray Liotta plays a memorable cameo as a paramedic who helps save Charlie

after the accident And Amanda Crew is spunky and adorable as the independent young sailor with a secret crush on Charlie the old Charlie who was still interested in embracing life and with possibly the only lifeline that Charlie might actually grab The chemistry between Efron and Crew is sparkly and Efron fans will enjoy seeing their idol in more mature love scenes But not too mature the raciest of the romance scenes involves Efron not Crew taking off his shirt to fans delight If Charlie St Cloud isn't too original in its plotting nor especially crisp in its direction it doesn't matter Efron's screen appeal is plenty to propel both the story and the action Charlie St. Cloud (Movie Tie-In Edition/Spanish).
