This stoppage of service may continue until the required work has been completed. If unable to supply any service because of labor trouble, Government order, lack of fuel supply or other cause beyond Landlord's control, Landlord need not supply that service until Landlord is able to supply it.
- 6. Repairs** Tenant must take good care of the Apartment and all equipment and fixtures in it. Tenant must, at Tenant's cost, make all repairs and replacements whenever the need results from Tenant's act or neglect. If Tenant fails to make a needed repair or replacement, Landlord may do it. Landlord's expense will be Added Rent.

Tenant must not change the plumbing, ventilating, air conditioning, electric or heating systems. If Landlord gives consent, the alterations and installations shall become the property of Landlord when completed and paid for, and shall remain with and as part of the Apartment at the end of the Lease. Landlord has the right to demand that Tenant remove the alterations and installations before the end of the Lease. The demand shall be by notice, given at least 15 days before the end of the Lease. Landlord is not required to do or pay for any work unless stated in this Lease.
