Blush Politics And Other Unnatural Acts English Edition:

Blush: Politics and other unnatural acts Barry Parham, 2011-10-11 Includes the award winning story Razing Arizona Excerpts from Blush At the Inauguration a better tone was set when the incoming First Couple met the outgoing First Couple on the steps of the White House There were hugs all round and the incoming First Female Significant Other presented a gift to the outgoing First Female Significant Other This kindness spurred the hovering photo hounds into a frenzy of photo hounding until the Clintons leapt out of the First Shrubbery stole the gift and spirited it off to their First Legacy Museum Bill Clinton then pardoned the shrubbery I m building a politician in case you re looking to buy one For a while there I was thinking of running for office myself But I m not going to lie to you And there it is If I can t lie to you I m not politically viable During a bone chilling outbreak of global warming Barack Obama was inaugurated President of the United States and got three votes for the Papacy and won the Rose Bowl He immediately set the tone for his administration by having world class musicians fake a music performance while not paying their taxes The new President then introduced us to his twin teleprompter speaking style making him look like he s constantly talking to 2 very tall voters on opposite sides of the room Later in the month Congress presented a Health Care Bill that everybody agreed was probably well written Online humorist Barry Parham is back with another acute collection of satire targeting politics and other less evil things And when Barry s in the beltway no party or platform is safe
