Chevaliers Noirs Le Complot:

Le Chevalier De Maison-Rouge Alexandre Dumas, The Chevalier de Maison Rouge though it deals with events subsequent to those covered by the earlier stories of the Marie Antoinette cycle was written at an earlier date In it we are introduced to a new set of personages and see no more of the characters whose fortunes furnish the fictitious as distinguished from the historical interest of the earlier stories The months which elapsed between the execution of the King and the appearance in the Place de la Revolution of the ill fated Marie Antoinette were thickly strewn with tragedy particularly after the final conflict between the Gironde and the Mountain and the decisive victory of the latter resulting in the undisputed supremacy of the band of men in whom we now see the personification of the Reign of Terror Those portions of the narrative which describe the life of the queen at the Temple and subsequently in the Conciergerie are founded strictly upon fact Of the treatment accorded to the little Dauphin by Simon who is given much prominence in the story it need only be said that it falls far short of the truth as it is to be found in numberless memoirs and documents There is nothing in all history more touching and heart rending than the fate of this innocent child who was literally done to death by sheer brutality in less than two years nor is there any one of the excesses committed by the extreme revolutionists which has done more to cause posterity to fail to realize the vast benefits which mankind owes to the Revolution in the face of the unnamable horrors which were perpetrated in its name The noble answer of Marie Antoinette to the unnatural charges brought against her by H bert not Simon was actually made at her trial There is no direct historical authority for the various attempts herein detailed to effect the escape of the Queen although rumors of such were circulating unceasingly The titular hero of the book is not an historical personage nor are Maurice Lindey and Lorin but the latter are faithful representatives of a by no means small class of sincere and devoted republicans who turned aside with shrinking horror from the atrocities of the Terror The mutual heroism of Maurice and Lorin in the final catastrophe reminds us of the similar conduct of Gaston in the Regent s Daughter when he fails to reach Nantes with the reprieve until the head of one of his comrades had fallen Nor can one avoid a thought of Sydney Carton laying down his life for Charles Darnay in Charles Dickens s Tale of Two Cities wherein the horrors of the Terror are so vividly pictured

Chevaliers Noirs 2 Hugues Delalande, 2015-06-19 Le Duc Darius suzerain de Vif argent doit juger l etranger pour apaiser ses sujets Apres les troubles dans la cite personne ne doute qu il enverra la tete de l inconnu rouler sur le billot Ce dernier savait il ce qu il faisait Car le royaume de Vif argent se prepare a la guerre Des projets secrets dont l execution est imminente vont permettre a Darius de reprendre le trone de son pere Y a t il une seule raison de ne pas se debarrasser de l etranger Sauf si toutes les cartes sont fausses Qu un redoutable complot se trame dans l ombre Et qu un plan secret aussi audacieux que perilieux attend d etre declenche avec des evenements qui pourraient bouleverser Vif argent voire l ensemble du continent L etonnante suite de la saga Chevaliers Noirs ouvre bien des portes et remet bien des choses en question Tout commence ici lorsque deux chevaliers noirs se rencontrent
